OBJECTS OF THE

WELLCOME CLUB AND INSTITUTE

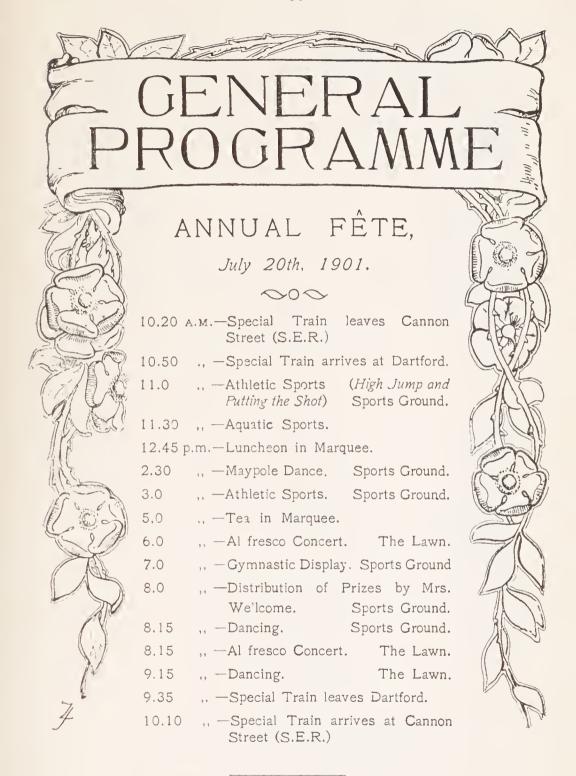

THIS CLUB AND INSTITUTE was founded by Mr. Henry S. Wellcome for the benefit of all the Employees of the firm of Burroughs Wellcome and Co. It was opened for their use on June 24th, 1899.

The premises consist of the old manor house (with its extensive grounds) formerly known as Acacia Hall, together with other buildings which provide libraries, reading rooms, assembly rooms, a gymnasium, etc.

The objects of the Club are — to promote harmony and happy social intercourse amongst the employees and to supply them with a pleasant resort outside of business hours—to encourage, mental and physical recreation by means of music, literary and other entertainments, technical and other instruction classes, with occasional lectures, and athletics, field sports and games.

A portion of Mr. Wellcome's Egyptian and Sudanese collection will be on view in the Library, Gymnasium, Staff Club House, etc., and on the Sports Ground.

A Photographic Exhibition, arranged by the Wellcome Photographic Club. will be open throughout the day in the Club House for Gentlemen Employees.

NOTICES TO COMPETITORS

IN

ATHLETIC AND AQUATIC SPORTS

The Rules of the A.A.A. will be strictly enforced

Competitors must be ready to start when the bell rings, and they must also wear the numbers provided for them by the committee.

The flat races will be started by the report of a pistol. A snap of the cap will be counted a mis-fire. If a competitor oversteps his mark before the pistol has been fired, he will be put back in—

- (a.) 100 yards race 1 yard
- (b.) $\frac{1}{4}$ -mile race 2 yards
- (c.) 1 mile race 5 ,,

These penalties will be doubled for a second offence, and disqualification will follow a further repetition of the same offence.

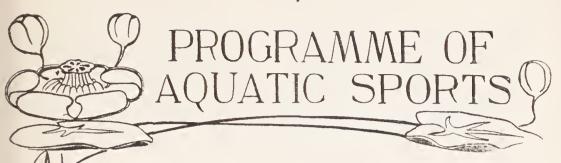

The decision of the Judges will in all cases be final, and will be notified on the telegraph board.

Tables will be placed in the Competitors' Dressing Tents, at which all competitors must attend and give in their names and numbers at least ten minutes before the time for the event in which they intend to compete. They will then receive the number cards to be worn. Anyone not complying with these regulations cannot be allowed to compete.

A bell will be rung immediately before the commencement of each event. The committee do not bind themselves to give any other notice and no delay will be permitted through the absence of any competitor.

Not more than two first prizes, nor more than three prizes in all, may be retained by any one competitor, excluding those for the Tug-of-War.

The Sports Judges and Stewards will wear a white badge on the arm. No other persons will be allowed inside the ring during the progress of the Sports.

N.B.—University Costume must be worn. The numbers against the names of competitors indicate the order in which they stand at the starting-point, counting from the bank adjacent to the lawn.
